Specialties

TIMELESS FAMILY HEIRLOOMS

100% SATISFACTION GUARANTEE

Everything we create has a one hundred percent satisfaction guarantee. If you're not thrilled with your portraits, we will retake them or refund your money, whichever you prefer.

ARTISAN PAINTINGS

One of our most sought after products is a unique blend of traditional photography and painterly art. Sherry Walsh, our portrait artist, transforms the original image by using numerous painting techniques and edge effects to create a one of a kind piece of art. Your final art piece is then meticulously printed on either archival canvas or fine art watercolor paper.

PANELS & COLLAGES

Our panels and collages allow you to combine 3 or more images within a single frame and are the perfect blend of portraiture and artistry.

A collage is a collection of 5 or more images, designed creatively into one larger image and framed. It is perfect when wanting to combine several similar or themed photos into a single framed image.

A Fusion Panel blends 3 portraits into one image by artistically blurring the edges between them to make one single masterpiece.

A Box Panel combines 3 images into one frame by accenting them with a digital mat.

- Collage, 14" x 30". Start at \$749
- Fusion Panel, 12" x 24" or 24" x 40" start at \$599
